Word Study

Lesson 1.5 Comparing consonant blends and consonant digraphs

Students will be able to tell the difference between a blend and a digraph.

Blends: two consonants side by side in the same syllable where you can hear both of their original sounds. Ex. clip, stop, strict

Digraphs: two consonants side by side in the same syllable that make a new sound. Ex: church, shine, when

Our Learning

Math: Rounding and adding larger numbers

Reading: Character traits

Writing: Students will tell and write narratives (Draft, Edit, Publish)

Grammar: Types of sentences and using correct punctuation and capitalization

Science: STEM Challenge using solar energy

Social Studies: Founding documents
