MARGUERITE VANN

School Action Plan Goal #1

Area of Concern:

- Based on the 2017-2018 test data, Marguerite Vann 3rd graders scored 28% in the 'Ready' category. 4th graders scored 42% 'Ready.'

Goal:

- We will use a system of academic and behavior supports and have a goal of each classroom teacher 'moving' 3-5 students up to the next level on the ACT Aspire test and NWEA assessment.

MARGUERITE VANN

School Action Plan Goal #2

⦿ Area of Concern:

- ⦿ Low Reading and Math scores and wasted/misused time inside and outside of the classroom

⦿ Goal:

- ⦿ Maximize quality instruction while minimizing transition times/interruptions by following Extended Recess Pilot protocol and managing class time effectively.

MARGUERITE VANN

School Action Plan Goal #3

⦿ Area of Concern:

- ⦿ Number of Office Referrals and student behavior incidents

⦿ Goal:

- ⦿ By using Positive Behavior Intervention strategies, Character Counts, Morning Meeting, and logical consequences, we will decrease behavior incidents and office referrals by 10%.

We have an APP for school!

Parents need school supplies too.
(Luckily, it's just a single download away.)

Download the free Conway Public Schools app today for access to your school's news, calendars, push notifications, and much more!

- Iphone users: Go to the App Store.
- Android users, visit the Google play store.
- Search for 'Conway Public Schools'

Please download soon to know about school events!

Also, don't forget to 'like' our Marguerite Vann Facebook Page! We'll post important information here!
