Parent/Teacher Conferences

If you were unable to make it to conferences, your child's report card will come home NEXT Friday, November 3rd.

Reading

- Main idea & details
- Summarizing
- Text structures

Science

We further explored surface tension with our Wire Critter Water Walkers.

Social Studies

Students are working on learning the states' names and locations on a map.

Writing

Mrs. St. John will model a research report over the state of Arkansas. After students know the expectations, they will choose a state to research and write a report on.

They will research state symbols, population, location within the U.S., capital, and so much more.

How you can help...

Talk about states you have visited, or you would like to visit, and why with your child.
