First Grade Classroom Newsletter

Parent Teacher Conferences

Thank you for attending conferences! If you were unable to attend conferences on Wednesday or Thursday, we would still like to meet with you. To schedule a conference either e-mail your child's teacher (e-mail addresses are at the bottom of this page) or call the school office at 501-450-4870. Thank you!

What We Are Learning

- Reading/Phonics: Bossy r (or)
- Writing: Informational Writing
- Red bird/ sight word: one, won
- Math: Strategies for Solving Change or Addend Unknown problems

Spelling

The spelling rule and word list for next week are printed on the back of this newsletter.

Thank you!!!

A big thank you to Wildlife Biologist, Jeremy Everitts and his wife Brynn, for taking time to come and speak to our first graders about Northern long eared bats, venomous vs. poisonous, habitats, and keeping animals safe. We learned so much!

Animal Habitats

The animal habitats you all created with your children were AMAZING!! Students were so proud as they presented their habitats to their peers. Even the other grade levels came to see the exhibits! This was a memorable learning experience for your child.

Dates to Remember

Spring Break

- March 19-23

If you ever have any questions or concerns, please feel free to contact your child's teacher at denniea@conwayschools.net, ortegal@conwayschools.net, williamsa@conwayschools.net or 501-450-4870.
