A word from Third Grade Teachers
January 11, 2019
Read All About Our Week!

"We respect each other. We try our best. We are a team. We learn from our mistakes. We create. We celebrate each other's success."

☺**Reading/Writing:** *Biographies*-We will learn about this genre, determine the main idea of a text, and continue using text features to quickly locate information. We will read several different biographies as well, beginning with Malala's Magic Pencil.

☺**Word Study/Language:** Long u spelling words: **mule unit use huge flute chute dude fuse new brew threw glue**

We will also review adjectives and how to use them effectively in our writing.

☺**Math:** *-Area-* Students will measure area by counting unit squares, recognize area as an attribute of plane figures, and relate area to the operations of multiplication and addition. ***Don't forget to look for 2 homeworks to come home each week.**

REPORT CARDS! Please *sign and return* report cards and green ACT Aspire notes on Monday.

The green ACT Aspire notes are to inform you of your child's scores on the fall Interim *practice* ACT Aspire test. We will take another interim test in February and are working hard on raising scores. Part of this is not only to let parents see their child's scores, but to also let them see the benchmark scores and set goals for improvement. We are setting goals individually with your children.
