Read All About Our Week!

"We respect each other. We try our best. We are a team. We learn from our mistakes. We create. We celebrate each other's success."

Make sure you have completed all registration online. If you received a green slip of paper this week, your child's registration is incomplete. They will not be able to use any of the computers at school until this is complete.

Don't forget to sign behavior folders before returning them on Monday.

Please look for math homework each week. We will send 1or2 pages each week. All homework is a review of skills previously taught in class. Homework is due the following day. 5 points will be given for the completion of each homework. Late homework will result in a reduction of points.
