assign	answer
knead	rhyme
brought	thistle
knight	rhombus
honor	thought

Contract is due on Thursday.
Test is on Friday.

Math

Our third nine weeks test (test 3) will include questions from tests 1 and 2. Also, test 3 will include word problems involving addition and subtraction of fractions. Study Guide C will be sent home Friday or Monday.

Science

Students will explore how energy can make things go by learning about different ways of making things go. They will make rubber-band racers and experiment to figure out how many times to twist the rubber band in order to win the "Sweet Spot" race.

Reading

Students will continue to read biographies about revolutionaries in American history. They will research those who were involved in civil rights, suffrage, and worker rights.

Our school-wide reading club continues with the book *The World According to Humphrey*.

Writing

Biography Research Project

We have finished our research and are using what we have found to create our projects and to write our essays. We should be finished by the end of the week.

Language

We will reviewing all fourth grade language standards.

Attention Parents of Running Club Students:

The 11th annual Viking Voyage 5K will be March 8th at 1 PM. On Monday, February 26th, 3rd and 4th grade running club members will practice running the Tucker Creek Trail. This takes longer than normal running club practices since we will walk over to the trail. Pick up will be at 4:15 at the track. If you can come run with us on Monday, we would love to have you!
