Word Study

Consonant Digraphs
ch, gh, ph, sh

phantom	alphabet
enough	nephew
accomplish	shiny
shortage	autograph
champion	daughter
approach	reach

Contract is due on Thursday.
Test is on Friday.

Math

Students will use fraction decimal notation for fractions with denominators of 10 or 100.

Examples: $0.62 = \frac{62}{100}$
 $0.6 = \frac{6}{10}$
 $0.06 = \frac{6}{100}$

Science

Last week, students explored how energy can make things go by learning about different ways of making things go. They made rubber-band racers and will experiment to figure out how many times to twist the rubber band in order to win the "Sweet Spot" race.

Reading

Students will continue to read biographies about revolutionaries in American history. They will research those who were involved in civil rights, suffrage, and worker rights.

Reading homework is due on Thursday.

Social Studies

Revolutionaries

Writing

Teacher will model a quick write, and then students will construct their own within a specified amount of time.

Language

We will reviewing all fourth grade language standards.
