Math

Students are learning about measurement:

- Converting between hours, minutes, and seconds.
- Converting between meters and centimeters.

Also, students will be working on solving one or two step problems using addition, subtraction, and/or multiplication with measurement.

Math Study Guide B was sent home Thursday, April 26th.

The test over these skills will be on Wednesday, May 2nd.

Reading

Students will finish up any chapter books they started before testing. As a class, we will read the book *Owen & Mzee*.

We will begin a unit on animal adaptations.

Homework is due on Thursday.

Writing/Language

Students have been studying myths in reading. They will begin working on their own myths including all of the elements they have learned.
