Contract due on Thursday.
Test on Friday.

Math

Students will be reviewing test taking strategies in preparation for the ACT Aspire. Skills will include addition, subtraction, and/or multiplication.

Example: Mr. Johnson bought 20 boxes of oatmeal. Each box had 8 individual packages of oatmeal. What was the total number of individual packages of oatmeal Mr. Johnson bought?

Also, we will be reviewing multiplication and division of larger numbers.

Study Guides 1 & 2 will come home next week

Reading

Students have started reading myths from around the world. They will use the myths to review major reading topics, such as: character analysis, setting, main events, theme, lesson, problem, and solution. They will also be writing summaries as part of this review.

Reading homework is due on Thursday.

Writing

Students will read and understand a prompt and produce a coherent and edited piece of writing within a specified amount of time.

Language

We are reviewing all 4th grade language skills and strategies for the upcoming ACT Aspire.
