

# ☞ Third Grade Gazette ☜

A word from Third Grade Teachers  
August 18, 2017  
Read All About Our Week!

*"We respect each other. We try our best. We are a team. We learn from our mistakes. We create. We celebrate each other's success."*

Our newsletter will come home each week and will keep you informed about upcoming events, next week's curriculum expectations, and important reminders. The newsletter will also be posted on our school website.

We have several students with incomplete registrations. Mr. Walker will be sending a list to all parents that have not completed online registration. Please be aware that if you have not completed online registration for your child, they will not be allowed to access any technology.

This year our behavior folders are in the form of a calendar. They will come home each Friday. You will need to sign and return the folder on Monday. You will sign on the designated week. For example this first week is the 3<sup>rd</sup> week in Aug. (Aug. 14-18), so you would sign on the line labeled "week 3". Next week you will sign on the line labeled "week 4". Some weeks your child may receive no folder marks, therefore you will see no notes from the teacher, but please **STILL** sign on those weeks as well.

This year we will utilize Remind101 to keep you informed of events, reminders, and important information for third grade. See your child's purple folder for instructions for signing up.

Please remember, if your child's afternoon transportation changes we must have a written note or they will be required to go home the way we have documented.

Please return all forms that require a parent signature ASAP. The following forms have come home, *student quick reference page, field trip permission slip, third grade rules form, and homework policy.*

**Reading/Writing:** We will complete an author study using Janell Cannon's books. We will discuss different types of genres.

**Word Study/Language:** We will begin discussing sentences and fragments.

**Math:** Students will begin to explore *equal groups* of as multiplication, relate multiplication to the array model, and interpret the meaning of factors-the size of the group or the number of groups

## Lunch Menu

**Monday:** Chicken breast nuggets w/curly fries & roll or Ham & Cheese flatbread w/curly fries

**Tuesday:** Breakfast for lunch or Cheese burrito w/salsa

**Wednesday:** Taco max snack w/tortilla chips & salsa or Corn dog w/crunchy Cheetos

**Thursday:** Chicken Chips w/Potatoes & Roll or BBQ beef sandwich w/cheddar & sour cream ruffles

**Friday:** Homemade pepperoni pizza or Crispy chicken tender wrap w/cool ranch Doritos

(See district website/app or newspaper for more details on the sides)

## Reminders

- **September 1-** School dismissed for Labor Day
