Math Review

Students will fluently add and subtract multi-digit whole numbers using the standard algorithm.

Students will continue to practice rounding multi-digit numbers.

Please check the back of your child's behavior calendar for their math rubric. Grades for quizzes and assessments are recorded there.

Reading

We will focus on identifying the setting of a story and be able to find specific examples of what the author has written to help us see, hear, feel, and smell what it is like to be there. We will read an excerpt from *Justin and the Best Biscuits in the World*. This has a social studies connection to cowboys in the Southwest starting in the 1700s.

Writing

Students will continue writing narratives. We will have our first "quick write" this week. This will be writing to a narrative prompt in a much shorter period of time. We will do these every few weeks.
