

Third Grade Gazette

A word from Third Grade Teachers
September 8, 2017
Read All About Our Week!

"We respect each other. We try our best. We are a team. We learn from our mistakes. We create. We celebrate each other's success."

Mark your calendar! Tuesday September 26, we will have our school wide open house and report to the public. We will begin at 5:30 in the cafeteria. Parents and students are welcome to come view the new building and your child's classroom.

Our school wide change drive is in full force until September 15. We would like to collect as much as we can to provide assistance to the hurricane victims. This is a great way to provide our support to other schools and teach our students good character.

A portion of students' math grade will come from completed homework. Homework will be sent home at least twice per week. If homework is not returned the following day, 5 points will be deducted.

☺Reading/Writing: We will continue reading and discussing personal narratives. We will continue reading the book, Stories that Julian Tells and begin reading More Stories that Julian Tells. We will compare different personal narratives told by the main character, Julian. We will continue writing, editing, and publishing a personal narrative.

☺Word Study/Language: We will identify and use different types of sentences such as statements and questions.

☺Math: We will begin to explore topics in division. Students will interpret quotients as the number of objects in each group when partitioned equally. *Example: 56 divided by 8, means 56 objects are divided equally into 8 groups.*
