

Newsletter

Ms. Church's Second Grade

September 1, 2017

- All students are coming home with a free/reduced lunch form today. We are required to send them with all students. If you have already filled one out this year you will not need to apply again. However, if your child qualified last year it does not roll over and will expire at the end of September.
- Purple daily folders will be sent home each afternoon. Please check the folder and remove any papers. You may put anything you need to send back to school in the folder as well. This purple folder **must** be brought to school each day.
- Please be looking at the math that your child is bringing home in their folder each day. We are doing lots of work in class and occasionally there will be homework. I will not send homework that is not just like what we have been practicing at school. Please sign the homework before it is returned. Students are practicing to become fluent with basic addition and subtraction facts to 20. We are using these facts to learn strategies to add up to 100. (ex. $54 + 20$ can be worked as $50+20+4=74$)
- In Literacy are reading and writing personal narratives. These are stories that an author writes about real experiences.

Activity Schedule

10:20-11:10

Mon. - Art

Tues. - Music

Wed. - Library

Thurs. - GT

Fri. - P.E. (wear tennis shoes)

Stay in touch!

- Email: churchm@conwayschools.net
- Sign up for **Remind** and receive texts or emails about important news. It's easy! Directions are on the back of the newsletter.
