

# Newsletter

Ms. Church's Second Grade

September 8, 2017

- Purple daily folders will be sent home each afternoon. Please check the folder and remove any papers. You may put anything you need to send back to school in the folder as well. This purple folder **must** be brought to school each day.
- In math we are working on making a 10 to help us add within 20. Look at the following example.

$$\begin{array}{l} 9 + 4 = \underline{\quad} \quad 4 \text{ can be thought of as } 1 + 3 \text{ so we can change the problem to help us.} \\ 9 + 1 + 3 = \underline{\quad} \quad \text{Now add the 9 and 1 to make 10 and make the problem easier to solve.} \\ (9 + 1) + 3 = \underline{\quad} \\ 10 + 3 = \underline{13} \end{array}$$

We have been learning the ways to make 10. Have your child tell you all the ways to make 10!

- In Literacy are reading and writing personal narratives. These are stories that an author writes about real experiences.
- Don't forget to bring change for the Hurricane victims. Girls are winning! The winning group gets an extra recess!

## Activity Schedule

10:20-11:10

Mon. - Art

Tues. - Music

Wed. - Library

Thurs. - GT

Fri. - P.E. (wear tennis shoes)

Stay in touch!

- Email: [churchm@conwayschools.net](mailto:churchm@conwayschools.net)
- Sign up for **Remind** and receive texts or emails about important news. It's easy! Directions are on the back of the newsletter.
