CONNECTING CAMPUS WITH THE COMMUNITY

## Cubs in the Kitchen Series

### Cooking from the Heart

Food is love....food is ART. In this class, young chefs will explore their creative sides while preparing several varieties of finger foods. They'll never look at food the same way when you allow them to cook from the heart. Cubs ages 7-12 will work independently while the little chefs in the Toddler Edition of this class will work alongside their favorite grownup.

### Culinary Camp

This three-day "chopped junior" style camp will teach young chefs cooking skills that are sure to tap into their creative talents. In addition to being exposed to a surprise food ingredient each day, chefs will also take a closer look at the food items and how to incorporate them into meals at home. (Note: The 2018 camp will be a repeat of the 2017 camp program and menus.)

\$125 | HANDS-ON CLASS | AGES 8-12
